## Evaluation Fees

in the fields of training

The procedure of evaluation includes:

1. The UHT Senior Instructor examines the Student or Instructor and completes the UHT Evaluation Form. For any type of evaluation, we have different evaluation forms, which can be downloaded from our UHT Instructor-Directory. The UHT Senior Instructor hands over the evaluation form to the certified Student or Instructor. ( Contact for certificates: [certificate@universaltaoinstructors.com](mailto:certificate@universaltaoinstructors.com) )
2. The UHT Senior Instructor needs to create a new profile for the student in our UHT Instructor-Directory or expand the profile of an instructor. The examining UHT Senior Instructor can add new instructor profiles or new upgrades to already registered instructors.
3. The evaluation of UHT Case Study Forms should not be too accurate as we want to be more sure that the candidates have gained sufficient practical experience.

UHT Chi Nei Tsang 1-5	70/30 Case Study Forms
UHT Cosmic Healing 1-2	15/10 Case Study Forms
UHT FUSION 1-3, Kan & Li 1-3	15/10/8 Case Study Forms
UHT Inner Alchemy Astrology	20 Case Study Forms
UHT Iron Shirt 3 Bone Marrow Nei Kung	15 Case Study Forms
UHT Certified Instructor	9 Case Study Forms

4. 30-60 minutes Evaluation Interview, depending on the type of evaluation. This is the major chance to test and figure out the true knowledge of the exam candidate.
5. The fee for UNIVERSAL HEALING TAO **digital** certificates signed by Grand-Master Chia is 25 USD / 25 € for the creating process, an additional shipping fee for paper version depends on country and shipping distance. The certifying UHT Senior Instructor can send the applicants data and digital foto by e-mail to Tao Garden Certification Team to create the certificate, signed and confirmed by Grand-Master Mantak Chia. The Tao Garden Certification Team ( [certificate@universaltaoinstructors.com](mailto:certificate@universaltaoinstructors.com) ) will send the digital certificate back to the certifying UHT Senior Instructor, who prints out and signs her-himself as well.

The certifying UHT Senior Instructor collects the 25 USD/ 25 € fee for the digital certificate from her/his Student or Instructor and transfers it to Tao Garden Team (PayPal: [chia.mantak@gmail.com](mailto:chia.mantak@gmail.com) ). An updated, already existing Certificate is not required for the registration in the UHT Instructor-Directory. The Student can also upload the UHT Evaluation Form instead of a certificate and save the certification fee. For all UHT Instructor levels, a digital or printed UHT Certificate is mandatory.

6. The certifying Senior Instructor hands over the digital certificate to her/his Student or Instructor
